The International Travel Bursary is open to all Girlguiding Clwyd members (Girls and Leaders) who are participating in an international trip having been selected through the Girlguiding Cymru international selection process

The bursary is a percentage of the cost of the trip as per the Girlguiding Clwyd County Bursaries list. The Bursaries list can be found on www.girlguidingclwyd.org

A condition attached to the bursary is that you make a presentation about your trip at the County International evening - the County International Advisor will contact you about this.
