

Daily Dragon

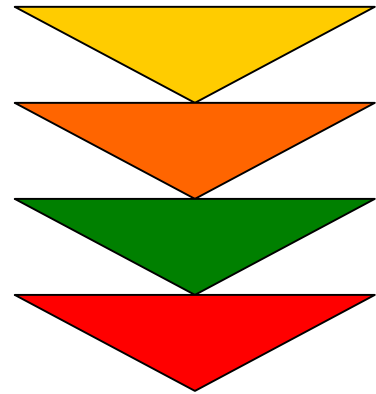

Welcome to "One World One Future" we look forward to new friendships and new ways to look after and respect the planet we live on and the people we share it with. By doing this we can look forward to entering Girlguidings new centenary ready to widen our horizons.

Welcome Yellow Neckers without you we would not have a camp

Welcome Orange Neckers for offering your time to give the Guides special opportunities

Welcome Green Neckers for volunteering your time to be of service to your Guiding community

Thanks to all those in Red Neckers without whom we would not be here at camp together.
