

Can Clwyd Guides Count on YOUR Support ?

If the answer is **Yes**, then here is a really simple way in which you can help – and for once it will not cost you a penny.

Since December last year, we have been working with www.whitedotbox.com, a locally based Company, who provide a free service to Schools, Charities and Voluntary groups, such as **Girl Guiding Clwyd**, to help generate a no cost stream of income for their individual cause via a personalised internet search box, backed by Yahoo!

We have already earned over £400.00 through our box, but to maximise our financial potential, we need **YOUR** assistance.

All you have to do to help, is to use the **Girl Guiding Clwyd** search box to search the internet as you normally would by typing the URL below into the http address bar on your computer, setting our personalised page as your homepage and performing your searches through **our** box. It really **IS** that simple.

It is a fact of life that people nowadays lead busy lives, and have very little free time, but your support of this easy to use, free service really **WILL** make a difference.

How you can help

Type <http://pages.whitebox.org.uk/?dir=/clwydgirlguides> into the http address bar on your computer, then click the 'set as homepage' icon in the bottom left hand corner. This will set **our** personalised page as your homepage. Any searches you perform through this box, will help to generate a no cost stream of income for **Girls Guiding Clwyd**.
